## Here's the Place to Buy Them!

This season we are carrying a bigger assortment of Rugs than ever, thus giving our patrons additional advantages not found in the smaller stores. There are more patterns here than elsewhere—many sizes—scores of different kinds and designs, and a wide range of prices. On every Rug purchased here you can save considerable money, this you can learn by comparing our prices with those you are asked to pay elsewhere.

We have on exhibition the finest Domestic Rug made in this country. It is a one-piece Wilton, sizes 9 x 12 and 8-3 x 10-6. A purchase of one of these Rugs will settle the question for years to come. It is as heavy as a board, made of the very best of material and will outwear many of the oriental rugs, which costs three times as much.

We are anxious to show you these Rugs. Come, we know you will be more than pleased with your visit.
